

Blue Mountains & Featherdale Wildlife Park

On this spectacular Blue Mountains Tour enjoy a day of wonderful scenery and encounters with Australian native wildlife. Rugged and beautiful, the Blue Mountains - a UNESCO World Heritage listed area, forms part of the Great Dividing Mountain Range which separates the coast from the Australian Outback.

While in the Blue Mountains you will explore some of the charming mountain villages and be taken to some wonderful look-out points. You will travel through Katoomba, the heart of the resort region within the Blue Mountains and listen to Aboriginal Dreamtime tales from your expert guide. There will also be the chance to take an optional ride (payable direct) on the Scenic Railway or Cableway or Skyway.

This tour also takes you to the Featherdale Wildlife Park which is home to a range of native Australian wildlife including Koalas, Kangaroos and Wallabies. While here you will be able to have your photograph taken cuddling a Koala – a must do in Australia!

Featherdale Wildlife Park is an Australian zoo in Doonside, Sydney. It specializes in Australian native wildlife and birds. [Wikipedia](#)
