

### **Government Affairs**

The committee mission is to create a useful working relationship between city, county, state and federal government and the member businesses of the Caldwell Chamber with the purpose of collaborating on projects that bring about economic growth and sustainability to the City of Caldwell.

### **Education**

The chamber values the youth of our community. We support and participate in the Caldwell Educational school system at all levels. The chamber committee supports, educates and promotes workforce development thru our colleges and other local educational avenues.

### **Committee Chairs**
