Leadership Caldwell

Since 1897, the Chamber has promoted and fostered the development of our community. To that end, “Leadership Caldwell” has been designed to meet our city’s need for the active participation of informed, skilled and involved community leaders.

Leadership Caldwell provides the opportunity for participants to broaden their knowledge of the community while enhancing their leadership skills.

The mission of *Leadership Caldwell* is reflected in its goals:

- To develop awareness of the Caldwell area, its strengths, challenges and opportunities.
- To enhance leadership abilities.
- To create a network of informed, concerned leaders.
- To encourage greater involvement in the community.

Our Mission

Leadership Caldwell educates and prepares community leaders who are committed to shaping Caldwell’s future.

The Program

Leadership Caldwell is a 9 month community leadership development program that begins with a mandatory orientation in August and culminates with a graduation program in May. Eight full day sessions are held on the 4th Thursday of each month, except March, November and December. Topics include

- Agriculture
- Police and Fire
- Commerce
- Media
- Government
- Arts & Education
- Health Care & Community Service
- History, Travel and Tourism

Each month's topic is presented through the use of prominent individuals from the public and private sectors. In depth dialogue of current issues pertinent to the session topic, case studies, site visits, interactive and “hands-on” experience.

Participants also work in teams or as a group on projects of their own design to provide tangible solutions to various contemporary community challenges. The community actually becomes the classroom.

Through contact with a wide range of professionals and the behind the scenes knowledge gained, Leadership Caldwell participants have the opportunity to expand their influence in the community. The success of the program is measured by the positive effect on the participants, their organizations and the community.

Graduates serve as members of future program and selection committees for Leadership Caldwell and continue to interact through continuing education and social functions.
